September 14, 2006

Dear Anthony Burns Families,

This notice is to inform you of the times for our "Make – Up Days". Yes we do have to make up the 4 days that we missed by opening late. How will we do this?

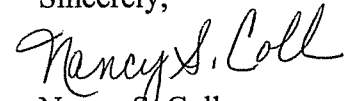

Beginning September 25, 2006 we will be **adding 10 minutes** to the end of our day. This means that announcements will begin at 3:30 followed by dismissal procedures. These 10 minute days will remain through the first semester, ending on January 26, 2007.

We will also be changing 3 half-day, elementary only, early release days to full-days. The following 3 days will now be **full days**:

Wednesday, September 27
Friday, October 6
Monday, November 6

If you have questions or concerns about any of this information, please feel free to call me.

Sincerely,

Nancy S. Coll
Principal
